Patriotic Love Table Runner

Step 1: Make 5 Patriotic Love Quilt Blocks in the 12" finished size. **Read tips in step 2 and 3 before cutting and assembling your blocks.**

Step 2: For the stripes, cut each stripe 1 1/2" x 27" and then sub cut each piece to 5" wide.

Step 3: To make piecing easier, when you trim the large corner square triangle, place a pin to hold the pieces together.

Step 4: Sew the trimmed corners together to create 8 half square triangles. (2 sets will not be used and can be discarded or used in another project).

Step 5: Trim the half square triangles to 4" square.

Step 6: Sew together the half square triangles to create 2 pinwheel blocks measuring 7 1/2" square.

Step 7: Sew the 7 1/2" x 3" strips of background fabric to the top and bottom of the pinwheel blocks.

Step 8: Deco Foil Adhesive. Cut out the star shape and trace it onto the Deco Foil Hot Melt Adhesive. Cut out and arrange on your quilt block.

Step 9: Press with an iron on the medium heat setting for 30 seconds. Use the pressing paper provided. Let cool completely before moving onto the next step.

Step 10: Remove the paper backing and place the Deco Foil Transfer Sheet on top the Hot Melt Adhesive.

Step 11: Press with an iron on the medium heat setting for 30-40 seconds. Use the pressing paper provided. Let cool completely before moving onto the next step.

Step 12: Once cooled, peel off the Deco Foil Transfer Sheets carefully.

Step 13: Sew the block together. Alternate the hearts. Place the pinwheel blocks on either side of the runner.

Step 14: Sew the top, bottom and side border pieces to the runner.

Tip: Do not iron the Deco Foil once it is applied to your quilt top. Be careful when pressing.

Step 15: Baste the runner front, batting and backing together using SpraynBond Basting Spray.

Step 16: Quilt and bind the table runner as desired.

Finished!
